4 Day Whale Watching

& Fraser Island Experience

Welcome aboard Sunstate Coaches to experience the majestic mammals at play in the Great Sandy Straits of Hervey Bay.

Day 1 (L D): Traveling in our fully equipped coach with informative commentary from your driver, we pass through the gold mining town of Gympie towards our lunch stop at Rainbow Beach. After lunch we travel through Maryborough, with ship building at its early core, before arriving at our Hervey Bay accommodation for the next 2 nights. Dinner tonight is at The Pier Restaurant.

Day 2 (B L D): After breakfast we join our cruise boat, boarding a locally owned and operated catamaran with ample viewing decks to see the whales. Whilst on board you'll experience the day with expert commentary, morning tea and a buffet lunch. On return your driver will take you back for a relaxing afternoon before a seafood dinner at the Pier Restaurant.

Day 3 (B L): After breakfast we catch the ferry across to Fraser Island. On arrival we board our 4WD bus to start our adventure through the world's largest sand island visiting the wonderful sights on offer. Included is a sumptuous buffet lunch at Eurong Beach Resort. After lunch we continue our island touring before returning to our accommodation to freshen up after a great day out! Dinner tonight is at your own expense and leisure.

Day 4 (B): After a relaxing breakfast we start our return journey with a visit to the beautiful Noosa Heads. You'll have time to explore Hastings Street and its cafe's, local walks or just relax on the beach before heading home.
